

**DRAWING AMENDMENTS**

The drawings have been amended to address Examiners noted errors. In Figure 1, a 'prior art designation has been added and the resist layer renumbered 16. In Figure 3, the trench opening has been renumbered 39 and the resist layer has been renumbered as 37 to avoid redundant numbering. The First ARC layer has been shown and designated as 36 to be consistent with the Specification and consistent with the structure and designation number 26 shown in Figure 2.
